

# YOU WOULDN'T JOG IN STILETTOS...

You don't do foolish things that could harm your body. You eat right and exercise. But are you giving your body the kind of health care it deserves? Here at Central Penn Women's Health Care we pride ourselves in offering care focused just on women so you can stay healthy, safe and in control of your body.

Annual Exams • PAP • Contraception  
Prenatal Care • High Risk Pregnancy • Infertility  
PMS • Pelvic Pain • Menopause • Perimenopause  
Gynecologic Surgery • Laparoscopy  
Urinary Incontinence

Quality healthcare for women...  
throughout every stage of life.
