# LOOK MOM! NO CAVITIES!

So much happens in the tiny space of a childhood. Cavities don't have to be one of those things. When you start caring for your child's oral health early with screenings, sealants and great care, your kid's teeth could stay whole and sound – just the way nature intended. And that lets you focus on other, more important things. Like what's in his pockets before you do the wash...

Call Dr. Jeffrey Jarvis at Blackhawk Dental Care to schedule your child's initial visit.
