

Avoiding THE DENTIST?

You're not alone. Four out of five Americans are afraid of the dentist; one out of seven never gets treatment because of dental phobia! Oral sedation can help. Do you:

- HAVE DIFFICULTY GETTING NUMB?
- HAVE DENTAL ANXIETY?
- NEED SIGNIFICANT TREATMENT THAT REQUIRES MULTIPLE VISITS TO BE COMPLETED?

If you answered "yes" to any of these questions, Dr. David Jones can help. Call our office at **333-444-5555** to see if you might benefit from oral sedation.
